Additional Learning for Year 7 from Art

- **Self Awareness**
- **Text – Writing**
- **See and Connect Relationships**

What you will learn or get better at by doing these activities:	You will learn how to become more self aware, particularly in relation to your behaviour and how it affects your learning. You will also learn how to construct simple sentences about yourself and how to plan and organize your work and time efficiently. Finally, you will research an artist called Tom Phillips and learn how to make connections to his work and ideas.
Description of activities you must complete:	**1.** Produce a double page of research about the artist Tom Phillips. Research needs to contain information, a title, images, drawings and annotations. Think carefully about layout and presentation. (2 week HW) **2.** Begin to think about possible words to use in your poem. Think of 10 words to describe yourself and write them in your sketchbook. Ask family members for their opinion. **3.** Collection homework. Start to collect some memorabilia, photos, images, favourite things and personal items that can either be photocopied or photographed. The items will then form the background collage for your piece of work. **Half Term** **1.** Divide your page into 4 boxes and draw a different Jasper Johns pattern in each box. Next try to add colour and then repeat each pattern so that the whole page is filled with decoration and patterns. Change the scale and shape of some patterns. **2.** Produce a double page of research about the artist Jasper Johns. Research needs to contain information, a title, images, drawings and annotations. Think carefully about layout and presentation. (2 week HW) **3.** Same as above**.** 4. Collect as many different types of typography as you can find. Look in newspapers, magazines and on the internet.
