Dear Parent/Carer

Now that the academic year of 2008-2009 has passed we would like to end the year by sending a huge message of thanks to all of our parents for their support over the last year. As a school we recognise and value the partnerships we have with parents and appreciate the ongoing support and contributions they provide in making a real difference to the children of Birches Head High School.

As previously explained the last day of term was a time for us to celebrate the effort and achievements of students. We held Awards ceremonies for each Year Group to celebrate Achievement, Progress, Service to the School, Service to the Community, Attendance and Conduct. The day was a tremendous success and it is so refreshing to take these opportunities to offer praise and recognition to those who do well.

The new term for students will begin on Wednesday 9th September 2009 as follows:

8.45am: Year 7 Students arrive and register with tutors in the main hall.

11.00am: Y8 – Y11 Students arrive and register with tutors in form rooms.

Once again thank you again for your support throughout this academic year in making sure that all students can be the best that they can be.

Yours sincerely
