Birches Head Academy uses School Gateway, the UK's best parent engagement software, to make sure our parents are as closely involved with their children's school lives as possible.

All school related [communication, newsletters, reports, timetables, attendance figures, club bookings, dinners bookings and payments](#) go through School Gateway – it is the central hub of information for our parents – so to stay up to date with what's going on at school make sure you download the app for free. Just search *School Gateway* in your App store and download. Simple.

Your login details will be automatically generated using the contact information Birches Head Academy already has, so please make sure the details we hold for you are up to date. You can check and change these details by sending an email to info@bircheshead.org.uk

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.
